May - 22 mornings/afternoons No school May 28th (Memorial Day)

June - *8 mornings/afternoons (approximate due to make up snow days)

There are seven half days in the school year that occur during, Teacher Professional Development and Parent/Teacher Conferences. Surround Care will have special programs for those afternoons that you can register for.

It is separate from the regular Surround Care registration/payment.

Registration forms will be sent home in time to register for those days.

Half days due to Holidays or last two days of the school year (ie. before Thanksgiving) we will not have afternoon Surround Care. You do not pay for school vacations or holidays that we are not in school.

Remember when calculating your payment for each month, you need to consider what your child's schedule is. For Example: If your child attends Surround Care: 12 mornings @ \$8/day (M, W, F.) 9 mornings/afternoons @ \$15/day (Tue. & Thur) in a month. It will be calculated as such: $12 \times \$8 = \96 $9 \times \$15 = \135 $\$96 + \$135 = \$231.00$ total.

*If you choose to register for any special half days, you will need to pay a separate \$15 per half day, from your regular monthly payment for that month. Any questions, please contact me. **Sheri Bacon** 508-675-7899 ext. 4266 sbacon@swanseaschools.org
